19/9406. Planning application NK/2022/0007 – Little Cransley Cottage. (4)

It was resolved to submit the following comment to the planning department.

Comment: After taking into account the principle of preserving the architectural hierarchy of the site and the need to conform to Policy 3 of the Broughton Neighbourhood Plan, it is our position that the materials used must be sympathetic to the immediate vicinity in order to preserve the character of the site and its immediate neighbours. We object to the use of materials with a modern appearance which would be at odds with the street scene and request that materials be approved by the Planning Authority prior to commencement should the application be approved.

The meeting was closed at 7pm.
